

Expansion of 14 bed program is now offered at Harbour Light.

Located at Shuter & Jarvis, residents are still able to access the Resource Room located at 422 Sherbourne Street.

Street parking is available

On Site addictions counsellor

Meal program provided

Small group sessions offered on variety of topics

Community Church located in building for those interested

12-step meetings available for those who are interested in attending.

Additional resources are available for those with addiction issues but those without addictions are not prohibited from residing at WPA Harbour Light

How do I apply?

Speak to your IPO to obtain an application form or write to the Centre to have one mailed to you. Please note that only one application is required for both facilities.

What happens after I apply?

Upon receiving your application, you can expect to be put on the visitor list for an interview. Visits are scheduled approximately every 8 weeks. All applicants who apply for Day Parole or are designated for Statutory Release with Residency (SRR) by CSC/PBC are reviewed by our Community Assessment Team for acceptance.

What improves my chances of being accepted?

- Apply as early as possible to be seen by the CRF representative
- Demonstrate a consistent & positive attitude
- Complete required programs
- Follow correctional plan

Mission Statement

Through a demonstration of Christian love and concern, The Salvation Army Bunton Lodge and W.P. Archibald Centre will actively intervene in the lives of Federal Offenders who are looking for a new start. To assist offenders in becoming law abiding and responsible adults through staff acting as positive Role Models, providing counselling, programs, chaplaincy services and community referrals.
